Dear Alumnus,

Don't you love CHANGE? (I'm being sarcastic.) Actually, some of you do love change. I had to laugh one Sunday after I had talked about some changes that were going to take place in our ministry. One of the men in our church said that he had read a quote on change: "Change is good – you go first!" That is the way it is for a lot of us.

Monica and I have experienced a lot of change this past year. We have moved and are serving a new congregation. You talk about change – new people, new names, new routines, new home, new community – everything seems to be up in the air. I know it will settle down, but for now it is all different.

Depending on when you attended CCU, there have been a lot of changes: a new name, new professors, new buildings, and thousands of new students. However, since the very beginning of our school, its mission has never changed. Cincinnati Christian University exists to educate Christian leaders who will serve the church and shape the world. If you spend any time with President Faust, you will hear him talk about "teaching thousands to reach millions."

As president of the Alumni Association, I am asking you to join me in supporting the Alumni Association with your annual dues gift of \$25. The Association plays a major role in helping CCU accomplish its mission. Each year we award nearly \$10,000 in scholarships to current students who are excelling in the areas of preaching, education and missions.

I want to do more than ask you for needed funds – I also want to encourage you as you live for the Lord. Please feel free to contact me at droberson@worthingtoncc.org or 614.885.8389, ext 102. I look forward to hearing from you.

Thanks for helping.

Sincerely,

David Roberson
Alumni Association President
