Revised 1/24/12

Registration Information

Admissions Requirements – Individuals may take up to a total of 5 credit hours without applying to the college. After completing 5 hours, one must complete the full admission process to continue taking classes.

Priority Registration – Priority Registration is an opportunity for upper class students to have first preference in scheduling classes. Students are given access to MyCCU based on cumulative hours earned. Registration forms submitted in person will be processed as quickly as possible but are not guaranteed to be processed during the priority time for the student's class standing.

Priority Registration for Spring 2012

8 am Friday November 11	Graduation Candidates (Completed Intent to Graduate forms)
8 am Monday November 14	Seniors (96 hours completed and above)
5 pm Tuesday November 15	Juniors (62-95 hours completed)
8 am Thursday November 17	Sophomores (30-61 hours completed)
8 am Friday November 18	Freshmen (0-29 hours completed)

Registration Instructions – To receive priority treatment, students are encouraged to register on line at <https://my.ccuniversity.edu/ICS/>. Students will log in to MyCCU with the same user name and password they use for network log in. Students with outstanding balances or who are not in good academic standing cannot register via MyCCU.

Schedule Changes – Before classes begin, changes in registration may be done via MyCCU. Once the semester begins changes in registration may be done by phone or in person. After the refund period, students must have the instructor's signature on an official "Change in Registration" form. This form must be presented in person to the Registrar's Office. Changes in registrations are not official until received in the Registrar's Office. All refunds are calculated from the official date the form is received in the Registrar's Office.

Contact Information – Students are encouraged to keep their contact information up to date by submitting changes through MyCCU. All students are given a CCU email address. It is especially important that students check this email account on a regular basis.

Students should consult the catalog for specific details about academic policies and guidelines.

While Cincinnati Christian University provides academic advising for degree-seeking students, **the final responsibility** for meeting all program/degree requirements and being informed of all academic regulations and procedures **rests with the student.**

*Note: These classes cannot be taken individually. You must take all of them as a group.

Classes with multiple sections are on a first-come, first-served basis. Once a section is full it will not be opened to meet your scheduling difficulties, instead you must choose one of the other sections. This means register early rather than late in order to get your preference.
